

BOSTON CONSERVATIVES

Annual Dinner Invitation

Boston Branch of Boston & Skegness Conservative Association are **delighted** to announce the first Boston Annual Dinner. We have been very lucky to have as guest speaker

The Hon. Jacob Rees-Mogg M.P.

Mr Rees-Mogg is the son of William Rees-Mogg of The Times newspaper and has been the Member of Parliament for North East Somerset since the 2010 general election after fighting several other parliamentary seats. He is in the Eurosceptic wing of the Conservative Party and is an interesting and amusing speaker with very much his own forthright views. I am sure we are guaranteed an excellent evening.

The Dinner will take place on

Thursday 5th June at the New England Hotel in Wide Bargate, Boston.

There will be a three course dinner followed by an address by Mr Rees-Mogg. The event will be optional black tie. We have kept the cost to £27.50 per guest.

Please complete the application form for tickets and return with payment to the address indicated. Your tickets will be forwarded to you.
